

## **Medical Examination Requirements (For Non-local Students)**

All new students at the City University of Macau are required to undergo a medical examination in accordance with University regulations as a condition of admission. It is the student's responsibility to obtain and pay for that examination. Students should submit the completed Pre-Entrance Medical Examination Report prior to course registration. Not completing and submitting this form will result in your registration being incomplete.

### **1. Valid Period for Medical Examination:**

All new students must complete the medical examination and submit a completed Pre- Entrance Medical Examination Report issued by the University within 3 months before course registration.

### **2. Eligible Medical Institution:**

- Mainland China students should complete their medical examinations at any Public Hospitals at the County Level or above.  
**(Mainland undergraduate students may instead submit the copy of their medical examination reports for China's National Higher Education Entrance Examination in the current year).**
- Hong Kong, Taiwan and Overseas students should complete their medical examinations at any public hospital or medical institution recognized by the government for registration in their countries.
- Mainland China, Hong Kong, Taiwan and Overseas students may also complete their medical examinations at Kiang Wu Hospital in Macau (Tel: +853 8295 8501, Website: [www.kwh.org.mo](http://www.kwh.org.mo)). Before visiting the medical institution, please visit our webpage ([www.cityu.edu.mo/registry-information-download-forms/](http://www.cityu.edu.mo/registry-information-download-forms/)) to download the Pre-Entrance Medical Examination Report (Macau/Hong Kong/Taiwan and Overseas Area) and bring along for your visit.
