### **3. Classes**

#### **○Session 1**

This 2-week program is an introductory Japanese course for the students who have never learned Japanese before, or have very basic knowledge of Japanese like greetings, hiragana, and katakana. We offer this program as a pre-session course for entering Session 2 (4-week program: Summer Intensive Japanese Language and Culture Program)

#### **○Session 2**

This 4-week Intensive Japanese language and culture program is offered at four levels. Highly trained and skilled teachers provide a variety of activities both in and outside of the classes with the participants. Through these activities, participants are expected to learn Japanese language, including grammar, vocabularies, and expressions more effectively and intensively. Please note that absolute beginners have to start with Session 1.

- Four levels I-IV of classes with about 20 or fewer students
- Four-week intensive language instructions, exams, workshops, language lab activities, and on- and off-campus field work.
- Field trips to local shrines, temples and other local attractions.
- A two-day field trip in/near Kyushu area to visit local sights of historical interest
- \* Project work (field work, interviews with Japanese students, etc) are scheduled outside regular class periods.
- \* Placement Test: Students are all given a placement test before and after you enroll in this program. They are placed in one of four levels of classes based on its results.

### **4. Capacity of the program:**
