Re: Important Update on NUS Summer Programme in Entrepreneurship 2020

Dear Hang Wei

Greetings from the National University of Singapore (NUS)!

Thank you for your support in promoting the NUS Enterprise Summer Programme in Entrepreneurship 2020 to your students.

NUS has been closely monitoring the COVID-19 outbreak, with great concern. The recent global development has caused serious concerns in NUS Senior Management for the health and safety of our current and prospective students, even more so with the trends these last few weeks. As such, after careful deliberation, we regret to inform you that NUS is cancelling the 2020 Summer Programme in Entrepreneurship.

We will be reaching out to our partners and applicants to inform them about our decision.

Meanwhile, please stay safe and take care. We look forward to welcoming you and your students to NUS in the future.

Yours Sincerely,

Professor CHEE Yeow Meng
Associate Vice President (Innovation & Enterprise)
Director, NUS Overseas Collegess
National University of Singapore
