SUMMER ENGLISH EXPERIENCE (SEE)

SEE programs are non-credit programs specifically designed to give undergraduate students a chance to “SEE” and experience the language and culture of Victoria. Students will gain international experience and cross-cultural skills while improving their English communication skills. Based on an experiential learning model, this program actively engages students in class and on activities to provide a fun and integrated learning experience. Canadian workplace culture, networking, and career planning are the pillars of the programs. Two SEE programs are offered – SEE Leadership and SEE Tourism.

SEE Leadership

The SEE Leadership program includes activities that showcase the natural splendor of Vancouver Island while students engage in meaningful lessons. Students will learn from and in nature to develop leadership abilities while improving their English.
