

International Summer Institute for Business Management (ISIBM)

See things differently

Why?

The University of Victoria's ISIBM program is designed for undergraduate and graduate students from various disciplines. These 3 - 4 week intensive summer programs help prepare students for their future business success all while studying in one of the most beautiful cities in Canada.

When?

With two intakes in both July and August, the Gustavson School of Business offers an immersive business program that blends hands-on coursework with exciting extracurricular activities. Imagine learning about business communication, entrepreneurship, service management and international business in Victoria, B.C.

Where?

Known as the "City of Gardens", Victoria is the clean, safe and culturally diverse capital city of British Columbia. With the mildest climate in Canada, Victoria has been named one of the best cities to live in the world and one of the top student destinations in North America. In the summer, the city comes to life with countless festivals, concerts and endless outdoor activities.
